GREETINGS:

It is with great pleasure that I send my sincere appreciation to the New Times Cultural and Education Center and the Southeast United States Falun Dafa Association for bringing the world-class Divine Performing Arts to our state. This spectacular event will be enjoyed by thousands of people from around our country, and will be an opportunity for Georgia's citizens to enjoy the culture of China and learn more about the traditions of this beautiful country.

The citizens of Georgia are most fortunate to have The Divine Performing Arts include our state in their tour of the United States. I am sure it will be exciting and wondrous and enjoyed by all in attendance.

With warmest personal regards,

Sincerely,
